At first roundabout

exit to Murcia/Granada/**A70/A7** (sign in blue)

Continue on road for 1min until road splits to joint motorway. You need **A70/A7** towards Murcia/Granada/Almeria NOT Alicante (which is other direction)

Continue on A70 which changes to **A7** in a few miles without you noticing or needing to do anything. And changes to 3 lanes.

Continue on three lane section for approximately 10 mins until the motorway splits in the A7-E15 (free road) and AP7 (pay road) at approximately. You need to continue on the **A7** towards Murcia.

Continue on A7 and you will reach Murcia where there are speed restrictions down to 100 and 80 Kms/hr. You will see a stadium and lots of shopping centres and lights.

After about 30 mins of driving the road merges with the A30 and changes to 3 lanes. No need to do anything. About 2 mins after this the **A30** and **A7** split, except you actually need to turn off onto the A7 (which is confusing as you are already on it!) It is sign posted Granada/Almeria/Lorca (**A7 – E15**)
