

## PROJECT "ELECTIONS MAY 2023"

The project consists of informing the owners, registered residents, and residents of Condado, of the proposals that are part of the electoral program of the next municipal elections of May 2023, of the electoral groups or parties that are presented to the Mayor of Alhama, and that are most relevant to our community.

To do this, a working group will be created to prepare a questionnaire (an example is attached) to send to the candidates, and to be able to publish their answers on the community website and social networks.

If you are interested in helping in this project and preparing the drafting of the issues on TRANSPORTATION, URBAN PLANNING, EDUCATION, PUBLIC SAFETY, URBAN PLANNING AND PUBLIC WORKS, MAINTENANCE, PARKS, GARDENS AND LIGHTING, CELEBRATIONS, etc. Get in touch with the following email address [email@condadoalhama.com](mailto:email@condadoalhama.com)
