## SUMMARY

During this week lawn mowing on Jardin 13 and 13 prime, on Naranjos 1, 2, 3, 4, 5 and 6, and also on external road and landscaping has been done.

On the other hand, the oleander hedge trimming has been continued in Naranjos inner road.

In addition, weed treatments have been carried out in La Isla, in Naranjos 5, in the pool area of Jardin 2, as well as in the inner road.

Tree pruning has been done on Naranjos 1, 2 and 3 in the same way that emptying of planters in La Isla has been continued.

In addition, the replacement of geraniums has been carried out in the areas where the Christmas flowers were located, as well as in the roundabouts of the inner road of Jardines and other areas where they were weakened.

Additionally, it should be mentioned that the maintenance (sanding and painting) of the furniture (wastebaskets and benches) in Naranjos 1, 2 and 3 has been carried out.
