SUMMARY

During this week, lawn mowing has been carried out in Naranjos 1, 2, 3, 4, 5, 6, 7 and 8, as well as in Penthouses pools, in the Al Kassar área, in Jardines inner road, on inner roundabouts and landscapes. In Naranjos 6, 7 and 8 there have been no lawn mowing in the interior patios.

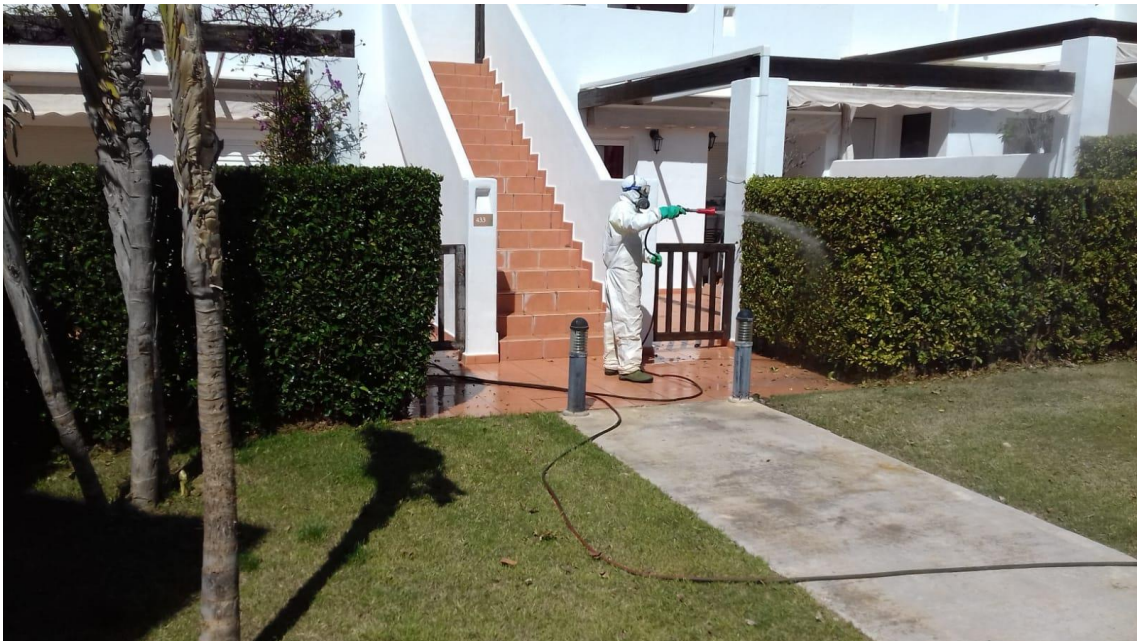

On the other hand, hedge trimming in Jardín 11 has been completed, and in Jardín 13 prime has been almost completed.

This week phytosanitary treatments have been carried out against 'psila' in Jardín 5 hedges and it has begun in Jardín 7.

Also routine pools maintenance has also been carried out, reviews of the irrigation system have been carried out and pruning of geraniums has been carried out.

In addition, the palm trees pruning and review in Naranjos inner road has been carried out, as well as the tree pruning and review (Jacarandas) in the secondary road of Naranjos 1, 2, 3, 4, 5 and 6.

EXTRAS

This week, as extra work, the new regulations signage installation in the pools has been completed.

From STV Gestión we have joined the fight against COVID-19 by carrying out disinfection treatments in the playground located in the Municipal Park, in the mailbox areas of La Isla, Jardines and Naranjos, in the Playgrounds in Jardines, Naranjos and La Isla, as well as in the fitness machines and tables on La Isla.
