During this week, lawn mowing has been carried out in Naranjos 1, 2, 3, 4, as well as in Jardines road and in inner landscapes. In Naranjos 5 lawn mowing has begun.

On the other hand, the hedge trimming has been completed in Naranjos 8 and Villas Jana, while in La Isla it has begun.

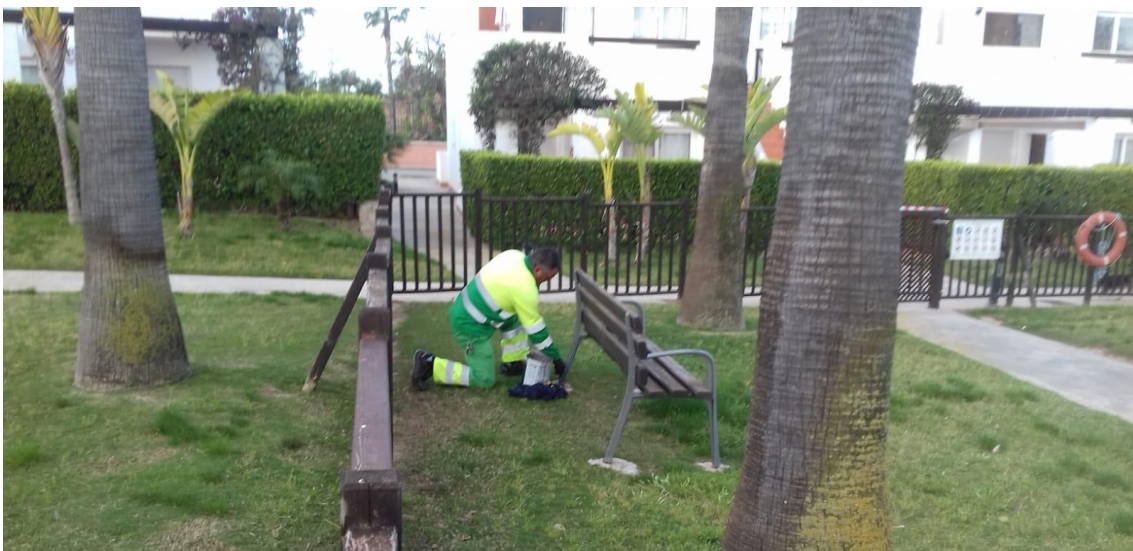

Insecticidal treatment has been carried out against psila in the hedges of Penthouses. In addition, herbicidal treatments have been carried out in Jardín 3, 5, 9, as well as in Naranjos 6, 8 and in external landscapes of the outer ring.

Also routine maintenance of swimming pools, irrigation system reviews have been carried out and geraniums pruning has been carried out. In addition, the Jardín 1 furniture has been painted.

EXTRA

On the occasion of World Tree Day (21th of March), from STV Gestión we wanted to contribute with the donation and planting of 54 pine trees (*Pinus halepensis*) in Condado de Alhama. Due to bad weather conditions and the alarm state by COVID-19, we have not been able to realize the plantation until this week.
