SUMMARY

During this week, lawn mowing has been carried out in Naranjos 7, 8, as well as in La Isla, Jardín 1, 2, 3, 4, and on Jardines inner road.

On the other hand, this week the hedge trimming has been carried out on Jardín 5,7 and 8, while in Jardín 9 it could not be completed this week.

Regarding phytosanitary treatments, the treatment against mosquito has been carried out on La Isla lake, insecticide treatment has been carried out on geraniums and a herbicide treatment has also been carried out on Jardín 9, on Naranjos 7, on the pools of Penthouses as well as in the new landscaping of the outer ring.

Also routine maintenance of swimming pools has been carried out, irrigation system reviews have been carried out, the palm trees pruning on Penthouses has been completed and the palm trees pruning on Jardín 9 has been carried out. On the other hand, the furniture painting in Jardín 7 has been continued but due to the numerous incidences that we have had to deal with, it could not be completed this week.

Additionally, geraniums pruning and replanting have been carried out to improve the aesthetic and visual appearance at the entrance to the Resort and the swings chains that were in poor condition (rusty) have been replaced.
