SUMMARY

During this week, lawn mowing has been carried out in Jardín 5, 7, 8, 9, 10, 11, 12, 13, 13 prime, as well as in the Sports Courts and on the external landscapes.

On the other hand, this week the hedge trimming has been carried out on Jardín 9 and 10.

Regarding phytosanitary treatments, the treatment against mosquito has been carried out on La Isla lake.

Also routine maintenance of swimming pools has been carried out, irrigation system reviews have been carried out, the palm trees pruning on Jardín 1, 2, 3, 4, has been completed and on Jardín 5 has started. On the other hand, the furniture painting in Jardin 7 has been continued but due to the numerous incidences that we have had to deal with, it could not be completed this week.

Additionally, palm trees pruning has been carried out on Alcanara Sur Gate to improve the aesthetic and visual appearance at this entrance to the Resort, gauras pruning has been carried out on the central reservation of the outer ring, and plants pruning on La Isla has been carried out.

Finally this week the maintenance of the Municipal Park has been carried out, eliminating weeds.
