## SUMMARY

Lawn mowing has been carried out this week in Naranjos 1,2,3,4, Vial interior, Villas Jana, La Isla and Penthouses.

In turn, pruning of the oleander hedge (Nerium oleander) has continued along the Inner Vial. This work will continue next week

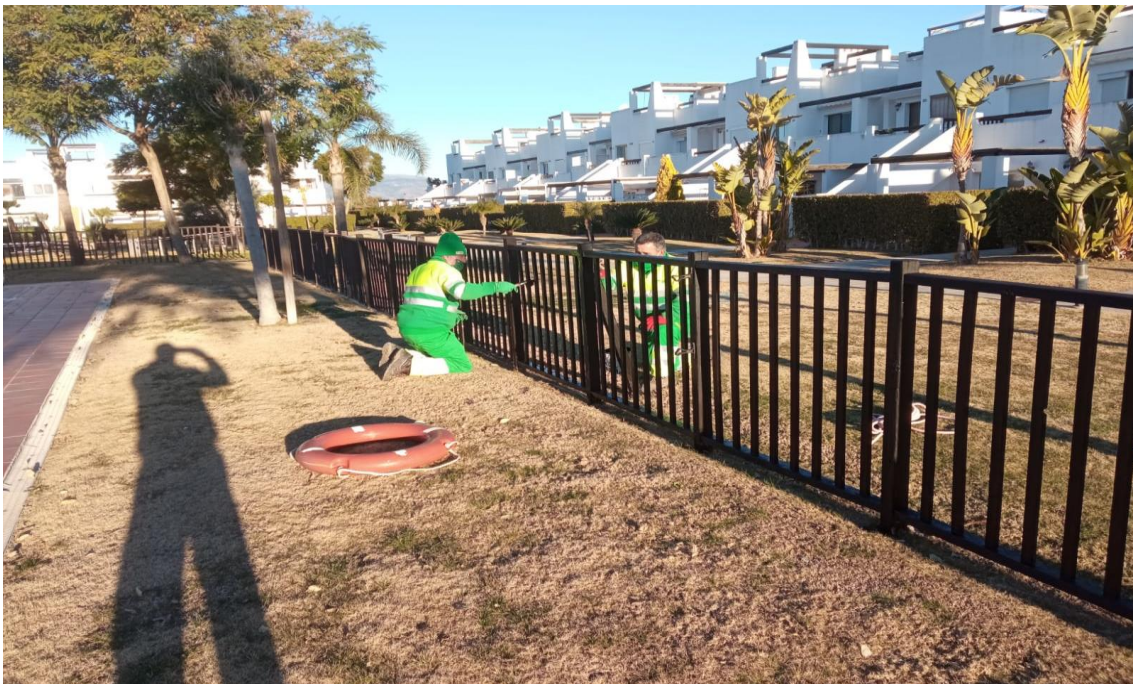

As in previous weeks, the palm tree pruning work has continued in the outer ring and the outer landscaping, in addition to having carried out insecticidal treatments against the red weevil.

The following have also been carried out: Naranjos 8 painting of paintings, swimming pool maintenance, revision and repair of irrigation system breakdowns, as well as other incidents.

Another work that has gained importance during the second half of the week has been the pruning of main branches in problem trees and fallen by the wind.
