SUMMARY

During this week, lawn mowing has been carried out on La Isla, as well as on Villas Jana, on Naranjos 1, 2, 3, 4, on Naranjos inner road and on the outer landscaping.

On the other hand the hedge trimming has been completed on Jardín 2, 3 along with the plant pruning while on Jardín 4 it has not been possible to finish this week.

Regarding phytosanitary treatments, the treatment against mosquito has been carried out on La Isla lake, as well as an insecticide treatment against 'psila' on Jardín 1, 2, 3 hedges and an insecticide treatment against lawn worm on Jardín 1.

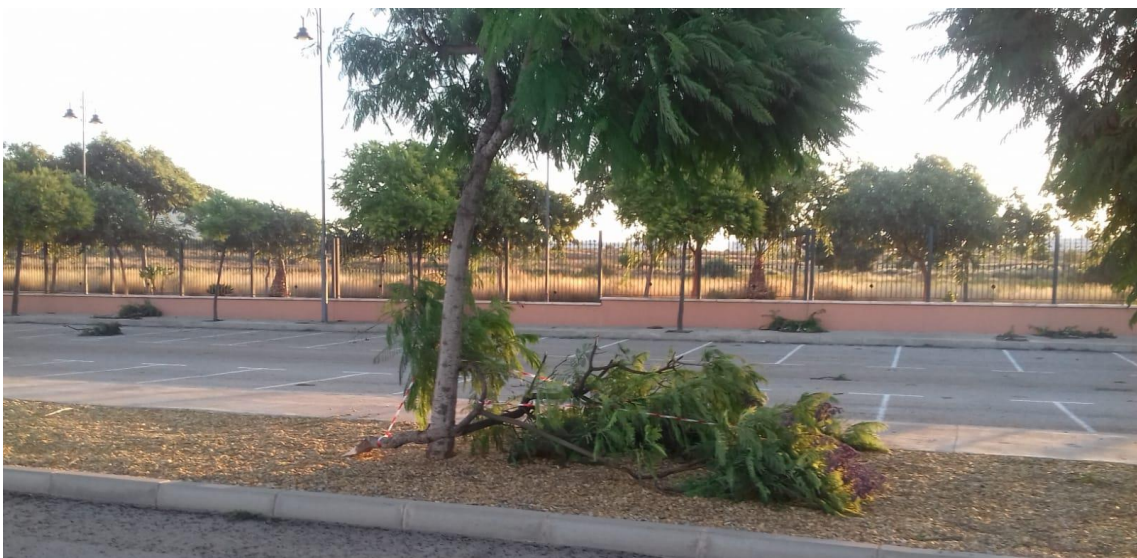

Also routine maintenance of swimming pools has been carried out along with the common areas disinfection, the irrigation system reviews have been carried out and geraniums pruning has been carried out.

WEATHER INDIDENCES

During Friday afternoon strong gusts of wind were registered causing numerous damages on the Condado de Alhama trees. The STV gardening team was straightening fallen trees, cutting and collecting broken branches as well as to cutting down 2 broken trees wich obstructed pedestrian and vehicle passage.

EXTRAS

A test has been carried out to improve the lawn aspect on a section of Naranjos road, carrying out a lawn plantation using turf.
