SUMMARY

During this week, lawn mowing has been carried out on Naranjos 1, 2, 3, 4 as well as on Naranjos inner road, on Villas Jana, on La Isla and on Penthouse.

On the other hand the hedge trimming has been completed on Naranjos 8 and Villas Jana along with the plant pruning of the same areas. In addition, the plant pruning has been carried out in the planters of La Isla and Penthouse, along with the pruning of the oleander hedge on the central reservation of the access road at Puerta de Cañadas Sur.

Regarding the phytosanitary treatments, an insecticide treatment against the red palm weevil has been continued on the central reservation of the outer ring.

Also routine maintenance of swimming pools has been carried out, the irrigation system reviews have been carried out, geraniums pruning has been carried out and the palms tree pruning on the outer ring road has been continued.
