## SUMMARY

During this week the visual revision of the lawn was carried out in Gardens 3,4,5,7,8,9, Interior roads, Sports courts and Exterior landscaping, which finally dispensed with mowing.

At the same time, the pruning of the oleander hedge (Nerium oleander) has continued along the Inner Road and the Orange Trees. This work will continue next week in the Outer Roads. As in previous weeks, the palm tree pruning work has continued in the exterior landscaping.

Also, the painting of the wooden perimeter fencing of the swimming pools has continued. During this week the fences corresponding to Gardens 5 have been painted, according to the established maintenance plan. In addition to the ordinary maintenance of swimming pools, the review and repair of irrigation system breakdowns and other incidents.
