

## Questionnaire Municipal Elections 2023

Alhama de Murcia

Candidacy: [WE CAN ALHAMA](#)

### THE ELECTION PROGRAM

As many times the electoral programs are full of literature and good intentions, the residents of Condado de Alhama would like you to specify something more in your analysis and proposals for Condado de Alhama. Therefore, we request that you fill in these fields specifically.

List the aspects of your proposals that, in the opinion of your candidacy, should be a reality in Condado de Alhama in the next 4 years.

- |   |
|---|
| 1. Regional hospital that covers the needs of Public Health in Alhama de Murcia and districts, Totana, Librilla, Aledo and Mazarrón.  |
| 2. Weekly mobile medical assistance for the districts.  |
| 3. Binding citizen assembly with the budgets so that the citizens are the ones who decide on what to spend everyone's money.  |
| 4. Home assistance for people with reduced mobility and the elderly who live alone, to cover the needs of daily tasks, such as accompanying the person to the bank or picking up pharmacy products. |
| 5. Mandatory installation of posters in betting rooms, with information on the serious risks involved in gambling.  |

Do you want to add something else?
